PROPERTY DETAILS ADDENDUM
ECHO LEDGE FARM
WOODSTOCK, VERMONT

South-East Guest Room 11'2" x 14'

- Ceiling height 7'4"
- Large closet

North Bedroom 11'8" x 19'5"

- Closet

Basement

- Crushed stone and poured concrete flooring
- Stone and brick foundation
- Blown-in foam insulation
- Passive 750 bottle wine cellar with poured concrete floor
- Bulkhead

NOTES

- Potential Expansion: Ability to expand living quarters and build over the garage. Either enter from North bedroom or add stairs from the garage.
- Overflow guests - [Farmhouse Inn](#)

Drains Around the House

- Previous owners put in a series of culverts up on the hill to divert any run-off into streams that go east and west of the property. In 2004 renovation French drains were added around the house - probably unnecessary, because no water entered the basement, even before the renovation.

Utilities and Mechanicals

- Weissman propane-fired boiler
 - New in 2019
 - 7 zones
- 80 gallon hot-water tank off furnace
- 50 amp generator – behind corn crib
- 1,000 gallon propane tank
 - Buried behind corn crib shed
- Sump pump in basement
 - Never used
- Septic outlet under stairs
 - Pump tank near corn crib
 - 4 panels up on fence
- Water sediment filter
 - changed every 3 months
- Irrigation system for flower (front and back) and vegetable gardens
- High Speed Internet
- Cat 5 to whole house and barn
 - Office in barn is hardwired, the rest wireless
- 300 MPS through Comcast
- Gigafiber is available from [VTel](#)
- Drilled well
 - Well head located next to equipment barn/shed

Electric

- 200 amp electrical panel in house
- 200 amp electrical panel in barn
- 200 amp electrical panel in indoor

Bea's Barn 24' x 42'

Bea Robinson owned the farmhouse down on the road - the original Robinson farmhouse - she sold the property in the 1990s. She kept 20 acres and built a little house where the indoor is - she sold the property to us and we donated the house to the State of VT for a halfway house in Springfield - we kept the barn and have referred to it as Bea's Barn ever since.

- Attached shed 10' x 20'
- Open on both ends for easy drive in/out for gator or small tractor
- Cement floor
- ½" rubber matting
- Large overhead doors – can fit trailers or RVs
